BEST PRACTICES

PRACTICE - I :

Title: Spiritual and Earthly cleanliness

Goal: Institute believes that

'Cleanliness from inside and outside, Health resides both sides'

Institutes perform the practice mentioned above for academic excellence. it aims at developing the talent of the students along with the practical skills and intends to make them aware of the need of cleanliness in life, both spiritual and earthly.

Context: when the student comes to the college for higher education, his/her objective is to be a skilled person and he/she wants to achieve certain competence. 'Cleanliness is next to Godliness' belief. Keeping these in mind, the institute motivates the students to work with faith in God because a clean heart makes the body work clean.

Practice: the institute is located in South Gujarat well known for cleanliness in life. Being the soul purifier, prayer leads to spiritual cleanliness and hence enforces the clean attitude in everything. The students in the institute start their daily routine with prayer. The practice has been continued since the last 20 years. The cleaning of campus and building is done by the units of NSS (by dividing the two units into six sub-units) every month regularly, as the institute believes 'charity began at home'.

The students are taught the lesson of cleanliness through:

"योग्यं मारु अंगणं, योग्यं मारु धरं"

This prepares them to keep the surrounding clean leading to 'Swachh Bharat'.

The institute extends its practice outside the campus also. The institute organized Cleanliness drive in Local Hospital, Historical Monuments Cleanliness program & Cleanliness drive at Local River. Every year, it cleans Bardoli Bus depot. NSS adopts one of the nearby villages for three years. Cleaning of village thrice in a year along with the other activities.

The practice of the institute is to prepare the students for the recent lead practices learned by them from the social surrounding. The institute believes that the purpose of education is to clean the dirt from society through students. Institute intends to develop the practice of cleanliness from college to society to town and to the bigger level.

Evidence of success: The success of the prayer is proved through discipline, concentration and regularity in studies of the students. As far as the earthly. Cleanliness is concerned; the other students of the institute have started the use of dustbins placed in the campus showing the awareness regarding cleanliness. Thus, the success of the mentioned practice is self-evident.

Problems: The institute receives the strength of the students from different castes/religions of the area. Therefore, different prayers are to be brought out every day.

The institute requires a big amount of expenditure and a complete support from society and from administrative authorities for the earthly cleanliness on a larger scale.

PRACTICE - II :

Title: "HELP" (Hands of Emotion & Love for Poor People)

Goal: Foster a sense of community responsibility among college students by actively participating in philanthropic activities. To cultivate empathy and understanding towards the challenges faced by economically & socially disadvantaged individuals in local community.

The activity "HELP"(Hands of Emotion & Love for poor people) started by college students under the guidance of faculties, in which students collected minimum Rs. 2 from each students from classes in twice a month and from that collection, they buy fruits, biscuit, milk etc. and distribute in local Hospital, Orphan House, Old age Home, Physically disabled child school. All activity conducted by the college students.

Objectives:

1. Alleviating Hunger and Improving Nutrition:
 - Provide nutritional support to underprivileged individuals in local hospitals, orphanages, and old age homes, physically disabled child school by supplying essential items such as fruits, biscuits, and milk.
 - Aim to alleviate hunger and enhance the overall nutritional well-being of the recipients.
2. Community Engagement and Empathy:
 - Foster a sense of community responsibility among college students by actively participating in philanthropic activities.
 - Cultivate empathy and understanding towards the challenges faced by economically disadvantaged individuals in local institutions.
3. Promoting Holistic Well-being:
 - Contribute to the physical and emotional well-being of beneficiaries by offering a variety of essential food items that cater to diverse needs.

- Strive to enhance the overall quality of life for individuals in hospitals, orphanages, and old age homes.
4. Encouraging Student-Led Social Impact:
- Empower college students to take a leadership role in addressing societal issues and making a positive impact on the local community.
 - Provide a platform for students to actively engage in meaningful social service activities.

Advantages of "HELP":

1. Affordable and Inclusive Participation:
 - By collecting minimum Rs. 2 from each student twice a month, "HELP" ensures that financial contributions are affordable and inclusive.
 - Encourages widespread participation, making it easier for a larger number of students to contribute to the cause.
2. Hands-On Learning and Skill Development:
 - Offers college students hands-on learning experiences in project management, teamwork, and community engagement.
 - Provides an opportunity for students to develop interpersonal and organizational skills through the planning and execution of charitable activities.
3. Direct and Immediate Impact:
 - Enables students to witness the direct impact of their contributions as they actively participate in the purchase and distribution of food items to local institutions.
 - Facilitates a connection between student actions and the immediate well-being of the beneficiaries.
4. Building a Culture of Compassion:
 - Contributes to the cultivation of a compassionate and socially conscious culture within the college community.
 - Inspires a sense of responsibility towards the less fortunate and reinforces the importance of giving back to society.

Evidence of success:

1. Regular and Consistent Contributions:

- All college students are encouraged to contribute minimum Rs. 2 twice in a month towards the "HELP" program.
- Contributions should be collected through designated channels to ensure consistency and ease of collection.

2. Student-Led Management:

- Establish a student-led committee responsible for organizing, coordinating and overseeing all aspects of the "HELP" program.
- Ensure that the committee is diverse and representative of the student body to enhance inclusivity and participation.

3. Transparent Financial Transactions:

- Maintain a transparent record of all funds collected and expenses incurred.
- Provide regular financial reports to the student body, ensuring accountability and trust in the management of funds.

4. Collaboration with Local Institutions:

- Establish partnerships with local hospitals, orphanages, and old age homes for effective coordination of resource distribution.
- Maintain open communication channels to understand the specific needs of each institution and tailor support accordingly.

5. Volunteer Engagement and Training:

- Encourage active participation of student volunteers in the purchase and distribution of food items.
- Provide training sessions to ensure that volunteers approach their tasks with sensitivity and respect towards beneficiaries.

6. Regular Evaluation and Feedback:

- Conduct periodic evaluations of the program's impact on the community and the satisfaction of beneficiaries.
- Welcome feedback from both students and recipients to continuously improve the effectiveness of the initiative.
