Industrial Visit Report

Organizer : Department of Chemistry, The Patidar Gin Science College, Bardoli
Industry Visited : Kakrapar Atomic Power Station
Po: Anumala, Via: Vyara
Di: Tapi, Gujarat-394651
No. of Participated : 54
Faculties : 05
Purpose of Industrial Visit:

1. To interact the students with actual industry persons
2. To experience the working environment in industry and visualize the all the important department of industry.

Principal Dr. B. R. Naik sir has approved the industrial visit and encourage the committee for organizing similar kind of activities for the benefit of students.

The students and staff members of The Patidar Gin Science College, Bardoli were visited Kakrapar Atomic Power Station (KAPS) on 15th October 2022. After completion of entry procedure at the pass office to enter inside the KAPS Gate-1&2, students and faculty member were went to training canter. Mr. H. M. Parmar and his team members has guided in detail about the KAPS plant and NPCL. Also aware about safety regarding nuclear radiations with live examples of daily radiations from Sun with comparative data. Demonstrated heavy water and dummy reactor model with whole plant. Also, he explained in detail about the reactor construction parameter, working mechanism of plant, nuclear material sources all over the world.

In the last part of visit, two batches of the students were divided and one batch was headed for cooling tower and second batch was entered in generator room with proper safety personal protective equipment. All detailed about actual power plant work function was given by representative of NPCL and every steps were explained about power generator with live demonstration of working generator. Many students have asked the queries and the instructor has solved them very cleverly and politely.

Students were boosted their knowledge about nuclear reactor and clean energy which is generated without the harmful by-products emitted by fossil fuels.

Industrial Visit [KAPS]

Industrial Visit Report

Organizer : Department of Chemistry, The Patidar Gin Science College, Bardoli
Industry Visited : Sugar Factory, Bardoli
No. of Participated : 36
Faculties : 04

Purpose of Industrial Visit:

1. To make them aware of the industrial procedures require to enter in any compony.
2. To experiance the working environment in industry and visualize the all the important department of industry.

Principal Dr. B. R. Naik sir has approved the industrial visit and encourage the committee for organizing similar kind of activities for the benefit of students.

According to route and time plan, students and staff members departure from The Patidar Gin Science College, Bardoli on 11th February 2023 at 9:00 pm and reached the Bardoli Sugar factory at 9:30 pm.

Sugar factory visit was arranged successfully with the help of administrative officer Mr. Rinkesh Patel. After completion of entry procedure at the main gate to enter inside the plant. Two appointed staff Mr. Pranav Pathak (Chemist) and Mr. Vishrut Naik (Engineer) welcome us. They provide us safety helmets and guided us about the plant. The important role of sugar factory in the Surat region was explained to all visitors. They gave a brief introduction for general processing of sugar manufacturing and utilization of its byproducts.

All the students along with the faculties were divided in two batches for the visit of different part of sugar production units. (e.g. Extraction of juice, Clarification, Evaporation, Centrifugation, Gradation and Packing). Mr. Pranav Pathak and Mr. Vishrut Naik sir have explained the sugar manufacturing process with details about reactors, effluent treatment plant and cooling tower.

Students enjoyed watching the systematics packing procedures of sugar into plastic bags and automatic transportation system of this packed sugar bags to godown. Wonderful channel from packing of sugar to its marketing was explained. After education session, we then had sugar juice at sugar canteen.

It was then time to return to college. It was wonderful learning experience for all of us.

Botanical Field Visit 2022-23

Date : 27 / 09 / 2022

Place : Botanical garden, Wagai.

Date : 27 / 09 / 2022

No. of students participated: 69

Objective: 1. Study of natural occurrence of plants.
2. Study of habit and habitat of plants.
3. Study of floral as well as different body parts of plants.

Outcome: 1. Student familiar with plants.
2. Students identified and classified plants from their morphological characters.

Characters: 1. Students know plants, Identify them and get knowledge of their medicinal properties and religious usefulness.

Report

The Patidar Gin Science college, Department of Botany arranged one visit at Botanical Garden of Wagai for Botany students. Students observed minutely plenty of herb, shrub, lianas, gigantic climbers on open area and fencing of farmland. Students also studied locality, morphological characters, Habit and habitat, Uses as food as well as medicinal and religious purpose of plants All students keenly observed all the plants in their natural occurrence. Dr. B. R. Patel, Associate Professor of Botany Department guided students and taught deeply about occurrence, morphological characters, floral characteristics, socially and religiously usefulness, medicinal properties etc.
