Vision Mission of the College

Vision :
The Patidar Gin Science College was established in 1963 with the vision of promoting quality education in the surrounding areas. Be an institution of the tribal belt with a culture of mutual care and commitment, a satisfying and excellent work environment and continuous learning opportunities. Provide a small platform to help students make themselves prepared for their future challenges and explore encouraging avenues. Build up its position in the state as a pioneer amongst all educational groups with consistent growth of further branches.

Mission :
The initial mission is to provide quality higher education to the students. To achieve this, apart from class room interaction, seminars, group discussion and other extra-curricular activities are arranged frequently. Efforts are being made to develop scientific temperament and instill humanitarian values in young minds. Importance is given on the all-round development of the students through various skill development programme and on creating awareness among them towards the problems of the society. Mission of the college is to: "To grow as a premier educational institute committed to provide the best educational environment and excellent infrastructure in the field of education."

Broad objectives of the College

College is located in Taluka area. It is one of the important institution in rural area. Broad objectives of our College are:

- To make provision for quality education.
