Strength:

- Qualified, experienced, dedicated and stable staff
- Active counselling and placement cell
- Well equipped laboratories
- Excellent full time physical training instructor
- No strike and ragging incidence
- Active IQAC
- Excellent results in most of the subjects
- All-round healthy environment
- Active women cell
- Counselling of SC/ST students regarding scholarship

Weaknesses:

- Deficiency of office staff
- Insufficient infrastructure for the introduction of new courses
- English communication of the students is not up to the mark due to the rural back ground of the students

Opportunities:

- Having full time physical instructor, play ground and strong and hard working students from rural areas, we can promote the outdoor games like khokho, Kabaddi etc.

Challenges:

- To motivate students to develop English communication skill
- To manage time slot for new short term courses
- To give more time for sports and extracurricular activities as most of the students come from the interior areas and transportation facilities are not sufficient, so they are in harry to reach their destinations.
