

The Patidar Gin Science College, Bardoli

7.3.1- The Performance of the Institution in one Area distinctive of its vision, priority and thrust

The vision statement of the college states that we “...strive for academic excellence by exploring the potentialities of socio-economically weaker sections...” Accordingly, we duly focus upon it while carrying out each and every development in the college. As far as the students admitted in the college are concerned, most of them are from the social & economically poor background. As per the student profile, more than 55 % of the students are from ST category. Although the college is located at the Taluka place, since the inception of college, the majority of enrolments of students have been from the surrounding Tribal area. The college is very much conscious about the needs of these students and accordingly always strives for academic excellence in order to enable these under privileged students for the global competitions. The academic excellence is reflected in the facilities that we have created over the years for such students: Our College imparts conventional education for UG. The college runs the streams of Science. The college has well equipped labs for all the programs concerned. The faculties are very well qualified having good amount of research and experience. Some students enrolled for Research work in Mathematics and Bioscience department. There is a spacious library with e-reading section and it has been partially automated.

To development of Skills, employment and good personality among the students, our college started “Finishing school program” under the guidance of KCG & Government of Gujarat. Finishing school training is given to finale year students studying in college. Finishing school aims at empowering students with soft skill sets, functioning spoken English in addition to knowledge that makes them industry ready and a prosperous career through appropriate training inventors.

To character building and leadership in all walks of life and promotes the spirit of patriotism and National Integration among the youth, National cadet corps(NCC) Navel unit started in our college from this year. It runs a multifaceted in training, varied in content, style and processes with added emphasis on practical training,

outdoor training and training as a community and moulded youth into disciplined and responsible citizens of the country.

Moreover, motivating students to actively involve themselves in the NSS and Sports activities. To conclude, the college always takes care of its vision, priority and thrust while initiating any development on the campus.
